Please complete the application in its entirety and return it to me along with the \$50.00 non-refundable application fee to WSCA. You must also have 3 letters of recommendation (sent by the individual themselves) in writing sent to me at my home address.

Our next testing date will be in the Spring of 2011. You will need to get the application to me before January 1, 2011 to be eligible for testing in 2011.

Respectfully yours,

Sherri Oswald
